

## Retail Fit Out.

### PROJECT OVERVIEW.

**Client.** Morrisons  
**Sector.** Retail  
**Site Location.** 11 stores nationwide  
**Size.** 120,000 m<sup>2</sup>  
**Contract Value.** £2 million

### KEY BENEFITS.

High profile retailer  
RFM awarded 'Benchmark' status by Morrisons  
High spec finish, maintaining clean & safe working  
Running multiple sites concurrently  
Working in a 'live' public environment

Morrisons announced their 'Store of the Future' plan to **refurbish and modernise** over 400 of their stores in order to enhance the retail experience for their customers.

RFM Group were initially given the opportunity to manage one store during the first phase roll-out, Morrisons awarded this one store project with a '**Benchmark store**' status. Subsequently RFM Group were given the opportunity to coordinate and deliver on a **further ten** 'Store of the Future' projects. This accolade was based on the **excellent finishing standards** of our fit out at the point of handover.

These projects took place in an environment being used by the public. There was work being conducted in and around food preparation areas so **safety, hygiene and careful management** were paramount as was accurate project management.
