KEY BENEFITS.

Impressive Grade A central London office

Complete office refurbishment over 2 floors

Works completed out of office hours

Works exceeded client's timescales

RFM Group were delighted to be given the opportunity to complete an office refresh for one of their **long standing clients** and responded quickly to the challenge ahead. The 6,500 sq ft St John's Street property is situated in central London and is just one of WYG's worldwide office locations.

The impressive grade A office was in need of a **complete office fit-out and refurbishment** over 2 floors. RFM Group were able to comply with WYG's requirements that the works must be completed within a tight deadline, but also **out of office hours**.

RFM Group orchestrated the labour and materials needed to complete a full strip out of five meeting rooms in order to create two large meeting rooms as well as the creation of a large open plan office. A further eight meeting rooms were created in the former basement. Suspended ceilings were supplied and fitted complete with lighting, new carpets and full decorations throughout.
