

KIRKLEES COLLEGE.

In 2004, after undergoing an OJEU tendering process, RFM Group was awarded the contract to provide a daily education cleaning service across two main Kirklees College campuses in Dewsbury, West Yorkshire. The college is one of the UK's largest Further Education institutions and our contract covered a wide range of services undertaken by a full-time staff of 12.

As well as an experienced and dedicated management team responsible for overseeing our account with Kirklees College, we also provide a 24/7 help-desk facility to give the client added peace of mind. Our cleaning staff are highly trained and highly motivated: important qualities that are evident in their work and contribute to the long-term success of our partnerships with colleges like Kirklees. Taking into account our business as a whole, every year we clean up after 1 million children and are responsible for more than 1 million sq feet of educational space.
