CLEAN.

Our cleaning division is at the top of its game and already keeps major UK names from all sectors looking great and operating smoothly. The services we provide draw upon a powerful combination of industry experience and highly motivated, highly trained personnel, and they're backed up by technology and processes that make sure things always go to plan.

We use dedicated management teams to give clients the attention they deserve and the tailored cleaning packages they need to perfectly suit their business or organisation. What's more, we've got the flexibility and resources to let clients choose either a fully-integrated and totally comprehensive cleaning service rolled out across multiple nationwide sites, or to cherry-pick specific services from a range including everything from industrial, office and retail cleaning through to carpet cleaning, IT cleaning or washroom services.

PAM™
PROACTIVE ACCOUNT MANAGEMENT

Best of all, thanks to our exclusive Proactive Account Management (PAM) initiative, we're able to analyse our clients' everyday operations and then improve their performance by identifying potential and implementing change. From saving energy and reducing waste through to consolidating operations to cut labour costs: our expertise and vision mean fantastic implications for your green credentials as well as your bottom line.
